April 2020

We would like to first thank you for being part of the Firenze family and look forward to many events together in the future

As you are well aware, our event business has been adversely affected by the COVID19 situation and we are looking forward to the lockdown bans getting lifted in the not too distant future.

Some supplies have been harder to find, and many items have had a massive price spike as well. It looks like the higher prices are here to stay as well.

We have had to do a price re structure so we can keep providing all our customers with top food quality and service for upcoming events.

If you believe that our new options are not suitable for your party, please contact us and we are happy to provide you with a full refund of the deposit that you provided us with.

Our home catering options are running and will continue to do so.

Please check our website regarding updates on our new prices and packages for the remainder of 2020.

Thanks for taking the time to read this and please contact us to discuss your future event

Bruno and the team at Firenze events
